### Consolidated Feedback Analysis and Action Taken Report (Academic Year: 2022-2023)

A comprehensive feedback mechanism has been established for various stakeholders of the college, including students, teachers, parents, employees and alumni. Each academic year, Shree Devi Institute of Technology systematically gathers feedback from these stakeholders. This feedback is carefully analysed, and the Institute implements appropriate actions based on the insights gained. Presented below is the consolidated analysis of the feedback and the actions taken for each stakeholder group:

| Sl. No. | Stakeholder | Major Grievances/ Suggestion on curriculum development               | Action taken by competent authority   |
|---------|-------------|--|---|
| 1       | Student     | Conduct aptitude skill tests for students                            | Aptitude skills tests for students are planned.   |
|         |             | Hygiene to be maintained in the canteen                              | The cafeteria management has emphasized the need to improve both the taste and hygiene of the food. |
|         |             | ATM facility is required   | There is an ATM within 100 metres from the college campus.  |
| 2       | Parent      | Maximum students have to be placed for job through campus interview. | An effort will be taken for campus placement of students.   |
| 3       | Alumni      | Career guidance lectures need to be organized                        | Arrange the career guidance lectures of relevant fields for the students.                           |
|         |             | Training programs in emerging technologies such as artificial        | Students are encouraged to enrol in online courses on platforms such as                             |

### Consolidated Feedback Analysis and Action Taken Report (Academic Year: 2021-2022)

A comprehensive feedback mechanism has been established for various stakeholders of the college, including students, teachers, parents, employees and alumni. Each academic year, Shree Devi Institute of Technology systematically gathers feedback from these stakeholders. This feedback is carefully analysed, and the Institute implements appropriate actions based on the insights gained. Presented below is the consolidated analysis of the feedback and the actions taken for each stakeholder group:

| Sl. No. | Stakeholder | Major Grievances/ Suggestion on curriculum development   | Action taken by competent authority  |
|---------|-------------|--|--|
| 1       | Student     | Elective courses can be increased  | The college is affiliated to VTU and follows their syllabus schemes.   |
|         |             | Improve the students' extra-curricular activities in the campus  | Cultural fest, "Surabhi" is held so that all the students can participate.   |
|         |             | Initiate improved communication between students, teachers and administration to discuss attendance and setting up suggestion boxes in the campus to discuss other concerns. | We have installed suggestion boxes for anonymous student feedback. The students collaborate with staff advisors to address concerns through direct interactions. |
| 2       | Parent      | Organize parent - teacher meet on periodic basis   | Suggestions are forwarded to higher authority to organize a parent - teacher meet.   |

### Consolidated Feedback Analysis and Action Taken Report (Academic Year: 2020-2021)

A comprehensive feedback mechanism has been established for various stakeholders of the college, including students, teachers, parents, employees and alumni. Each academic year, Shree Devi Institute of Technology systematically gathers feedback from these stakeholders. This feedback is carefully analysed, and the Institute implements appropriate actions based on the insights gained. Presented below is the consolidated analysis of the feedback and the actions taken for each stakeholder group:

| Sl. No. | Stakeholder | Major Grievances/ Suggestion on curriculum development  | Action taken by competent authority   |
|---------|-------------|---|---|
| 1       | Student     | Most students strongly agreed that teacher-student interactions are highly feasible and reliable. | Express gratitude to the faculty members and recommend maintaining this approach.   |
|         |             | Include more culture events   | Due to COVID-19 restrictions on gatherings, the cultural fest was cancelled. However, it has now resumed, with activities initiated both at the departmental level and across the entire college. |
|         |             | Prepare the students more on communication, so that they don't have to struggle in the interview. | Provided opportunities for students to give presentations on various topics, followed by constructive feedback.   |
| 2       | Parent      | Campus placement of students  | We are striving hard to get more industries for campus interviews   |

|   |          |  |   |
|---|----------|--|---|
| 3 | Alumni   | Lab activities and practical hand-on workshop needs to be implemented                    | Due to COVID 19, the events were conducted online. Currently, the practical sessions has been resumed.                                  |
|   |          | The curriculum should incorporate mini projects.   | The college is affiliated to VTU and follows their syllabus schemes. The new scheme is incorporated with mini projects in the syllabus. |
| 4 | Teacher  | Faculties take effective care for improving student's education and providing good notes | We extend our sincere appreciation to the faculty members and strongly advocate for the continuation of this approach.                  |
| 5 | Employer | Need to provide more focus on core fundamental concepts.                                 | In the faculty meeting, it is directed and discussed with all faculty members about improving fundamental concepts of students.         |

|---|----------|---|--|
| 3 | Teacher  | The examination report on educators' feedback indicates that they are highly satisfied with the structure of the curriculum. Recommendations related to specific subjects have been noted for further action. | The institution holds regular meetings at the start of each semester to enhance the curriculum, focusing on teaching methods, academic discipline, research, and integrating current trends. Faculty input is encouraged to enrich student learning, with innovative suggestions discussed and considered for implementation. Faculty members also contribute to various committees and councils to further improve teaching methods. Additionally, the institution organizes guest lectures, industrial visits, workshops, internships, and value-added courses to supplement the curriculum. |
| 4 | Employer | Program Objectives be designed in consultation with industries  | The college is affiliated to VTU and follows their syllabus schemes. The college will ensure that the students will learn the current industry trends through the add-on courses.  |
