No: 7.1.03/SPP/91 8th June 2020

The Principal,
Shree Devi Institute of Technology,
Kenjar Airport Road,
Mangaluru - 574 142.

Dear Sir/Madam,

Sub: 43rd series Student Project Programme (SPP): status of the sanctioned projects

With respect to the 43rd series of SPP, the projects selected from your institution have been already announced in the KSCST website and we hope all the respective project teams are aware of it. The sanction order for the selected projects has been dispatched to your institution.

As per the earlier announcements, midterm evaluations of selected projects at the nodal centers were supposed to be held during the month of April-June 2020. Due to the prevailing lockdown restrictions in the country to contain the COVID-19 pandemic, it is uncertain to conduct the midterm evaluations at the nodal centers unless the situations get back to normal.

In this connection, Council is planning to do away with nodal center evaluations for this 43rd series of SPP and in turn, conduct direct evaluation of the projects online. To conduct the online evaluations, we would like to have the status of completion of the sanctioned projects.

The following are the instructions to be followed to get the projects evaluated online.

- The SPP Coordinator shall update the project status to KSCST on or before 22nd of June 2020 by email to spp@kscst.iisc.ernet.in.
- The evaluation dates will be finalized after 22nd of June 2020.
- The head of the institute shall make sure that all the sanctioned projects get evaluated online.
- Only students (at least one) shall present/demonstrate their project.
- 50% of the sanctioned amount has already been released and on submission of the report and online evaluation, the remaining amount will be released based on the advice of the experts.

The evaluation dates, time-slots and other information regarding the online evaluation will be shared, once we receive the information from your end.

Thanking you and with best regards,

Yours sincerely,

(H. Hemanth Kumar)
