Brief Report:

On May 29th, 2023, a drug awareness program was held in the seminar hall for BE students. The esteemed Chief Guests were Dr. Girish KS and Bajpe PSI Gurappa Kanti. The event was graced by the presence of Principal and Director KE Prakash. The program aimed to enlighten students about the dangers of drug abuse and the importance of maintaining a drug-free lifestyle. Various informative sessions and discussions were conducted to raise awareness and educate students on this critical issue. Overall, the event was a success, fostering a sense of responsibility and awareness among the students regarding the adverse effects of drug abuse. Dr. Cindrella N Gonzalves delivered a comprehensive vote of thanks at the conclusion of the program.

Event	Say No to Drugs and Yes to Life - Awareness Program
Date of event	3rd December 2021 at 11 AM
Theme	Life skill
No. of participants	131
Resource Person	N Shashi Kumar, IPS

Brief Report:

Shree Devi Institute of Technology conducted awareness program on SAY NO TO DRUGS & YES TO LIFE. The talk was given by District Commissioner N. Shashi Kumar on 3rd December 2021. He depicted the harshness of drug usage and explained the ill effects of drugs usage. The drug awareness program served as a valuable platform for educating participants about the risks of drug abuse, promoting prevention strategies, and fostering a supportive community committed to addressing substance use disorders. By raising awareness and empowering individuals to make healthier choices, the program contributes to the overall well-being and safety of individuals and communities.

Brief Report:

As an integral part of NSS activity organized talk on "Prevention of Drug Abuse" for 1st year B.E. students on 4th April 2019 at 2.00 PM in the college Seminar Hall. Dr. K.T. Shwetha, Head, Anirvedha Resource Centre, Mangalore was the resource person. First year students participated in the programme. Dr. Sheeja Krishnan, Head, Department of Physics was the programme coordinator. The seminar on drug abuse has served as a call to action, urging individuals and communities to confront this pervasive issue with knowledge, compassion, and collective efforts. By addressing the root causes, promoting prevention and education, supporting treatment and rehabilitation, and engaging in advocacy, society can work towards creating a healthier and more resilient environment that discourages drug abuse and supports those on the path to recovery. The insights gained from the seminar provide a foundation for informed action and a commitment to combating drug abuse on multiple fronts
