At Shree Devi Institute of Technology, we have e-governance implemented all the above parameters. E-governance at Shree Devi Institute of Technology has been implemented using DHI. The decision to procure ERP system was taken during 2021-22 and approved by the Governing Council in its meeting with the stakeholders. The Governing Council approved the proposal of the purchase of ERP system from Heraizen Technologies Private Ltd. The development of the software is approved by the Governing Council from time to time. During last 2 years following modules have been added to the software.
