Date & Time	13/12/2022, 3:00 pm
Theme	Talk on Cleaner and greener environment
Speaker	Mr Jeeth Milan Roche
Faculty Coordinator	Mrs. Ramya Bharadwaj B.S
Venue	Seminar hall

BRIEF REPORT:

Shree Devi Institute of Technology organised a talk on “Cleaner and greener environment” on 13th December 2022, at 3pm in the seminar hall for MBA students. Mr Jeeth Milan Roche, Activist-National Environment Care Foundation (NCEF) was the guest speaker. The speaker highlighted the various environmental challenges facing the planet, including climate change, pollution, habitat destruction, and resource depletion. He encouraged individuals to get involved in local environmental initiatives, such as community clean-up events, tree planting campaigns, and advocacy efforts.

The talk on building a cleaner and greener environment provided valuable insights into the importance of environmental conservation and sustainable practices.

Faculty Coordinator	Mr. Vignesh
Venue	Seminar Hall

BRIEF REPORT:

Energy Conservation Day was celebrated on 14th December 2022 under Green Sankalp Club. A technical talk was conducted on the same day for MBA students. Mr. Premananda Shetty was the Resource person. The technical talk was served as a valuable platform for exchanging ideas, sharing expertise, and fostering collaboration towards advancing energy conservation efforts. By bringing together stakeholders from diverse backgrounds, the event underscored the importance of collective action and innovation in addressing the complex challenges of energy conservation and building a more sustainable world for future generations.

BRIEF REPORT:

Shree Devi Institute of Technology organised Movie streaming on the Oscar winning documentary “The Elephant Whispers” for students at Shree Devi Institute of Technology on 20th April 2023. The documentary is about the bond that develops between a couple and an orphaned baby elephant, Raghu, who was entrusted to their care. It won the academy award for the best documentary short film. The film is not just a heart-touching story of a bond between animal and human and co-existence, but also showcases Indian culture and tradition of environment conservation.

BRIEF REPORT:

On May 10, 2023, an engaging collage competition centered around the theme "Sustainability Goals" was organized for MBA students.

Faculty coordinator Prof. Sushmitha Shetty, along with other esteemed faculty members, graced the event with their presence, providing valuable guidance and support to the participants.

The event was meticulously coordinated by student coordinators Prathiksha M and Keshav, both second-year MBA students. The competition provided an excellent platform for students to showcase their creativity and express their ideas on the crucial topic of sustainability. It was indeed a rewarding and enriching experience for all participants, offering them a valuable opportunity to contribute towards a sustainable future through their artistic endeavours.

Date & Time	23/08/2021, 3PM
Faculty Co-ordinator	Prof. Shwetha Shetty
Topic	Wealth Out of Waste-Creative Upcycling
Venue	Outdoor

BRIEF REPORT:

Wealth out of Waste competition was conducted for the students of Shree Devi Institute of technology on August 23, 2021 at 3pm.

The objective was:

1. Encourage students to think creatively about waste management and recycling.
2. Raise awareness about environmental conservation and sustainability practices.
3. Showcase the potential economic and environmental benefits of waste reduction and recycling.

The Wealth Out of Waste competition demonstrated the transformative power of creativity and innovation in addressing environmental challenges. By repurposing waste materials into valuable products and solutions, students showcased the potential for sustainable living and waste reduction.

Date & Time	24/09/2021, 3.00pm
Theme	Invest in our planet
Faculty Coordinator	Prof Anupama Natesh
Venue	Room no 401, PG building

BRIEF REPORT:

The Poster Making Competition titled "Invest in Our Planet" was held at Shree Devi Institute of Technology on September 24, 2021 at 3:00 pm in PG building for students of engineering with the aim of raising awareness about environmental conservation and the significance of sustainable practices. The competition provided a platform for students to express their creativity and convey powerful messages through visual art.

The posters displayed by the students were evaluated based on creativity, relevance to the theme, visual impact, and effectiveness in conveying the intended message.

Shree Devi Institute of Technology aims to continue organizing similar events and initiatives that promote environmental awareness and sustainability.

Students showcase their creativity & commitment to environmental conservation by participating in competition.

SEMINAR PRESENTATION-ENERGY CONSERVATION IN CAMPUS

Date & Time	04-10-2019, 11:00am
Theme	Energy Conservation in Campus
Faculty Coordinator	Prof. Swathi K M
Venue	Room no 301; PG Building

BRIEF REPORT:

The Seminar Presentation Competition on Energy Conservation in Campus was held on 4th October 2019 at 11 am for 1st Year B.E Students. The objective of the event was to raise awareness among students about the importance of energy conservation and to encourage innovative ideas for reducing energy consumption within the campus premises.

The competition saw enthusiastic participation from students across various departments and academic levels. The Seminar Presentation Competition on Energy Conservation in Campus proved to be a success in achieving its objectives. It not only provided a platform for students to showcase their ideas but also fostered a sense of responsibility towards sustainable energy practices within the campus community.

PLANTING SAPLING IN COLLEGE CAMPUS-GREEN INITIATIVE

Date & Time	20-11-2019, 3:30pm
Theme	Planting Sapling in College Campus- Green Initiative
Faculty Coordinator	Dr Gayathri Babu J
Venue	Outdoor

BRIEF REPORT:

In an effort to foster environmental stewardship and create a greener campus, a tree-planting initiative was organized in the college premises on 20th November, 2019 at 3.30pm. The event brought together students, faculty, and staff in a collaborative effort to plant saplings and promote a culture of eco-consciousness.

Objective:

The primary objective of the tree-planting initiative was to:

1. Enhance the greenery of the college campus.
2. Provide hands-on learning opportunities for students in environmental conservation.
3. Foster a sense of responsibility and ownership among the college community towards preserving the environment.

By planting saplings and fostering a culture of environmental stewardship, the college community has taken a significant step towards building a greener, more sustainable future.

THE ROLE OF EDUCATIONAL INSTITUTION IN EMPOWERING SUSTAINABILITY

Date & Time	09/11/2018, 3.00pm
Theme	The role of educational institution in empowering sustainability.
Faculty Coordinator	Prof Supriya
Venue	Room No. 201, Canteen building

BRIEF REPORT:

Sustainability stands as a cornerstone of global progress, necessitating collective efforts from all sectors of society. Educational institutions, being hubs of knowledge dissemination play a pivotal role in shaping mindsets and fostering practices that promote sustainability. The essay aims to elucidate the significance of educational institutions in empowering sustainability, using the context of an essay writing competition held at Shree Devi Institute of Technology on November 9, 2018, at 3:00 PM.

Students from different engineering branches participated in the competition. This competition played a pivotal role in shaping mindsets and fostering practices that promote sustainability.

GREEN LANDSCAPES AND ECOSYSTEM - FACE PAINTING

Date & Time	05-02-2019, 3:00 PM
Theme	Green landscapes and ecosystem – Face Painting Competition
Faculty Coordinator	Mrs Jane Maria
Venue	Outdoor

BRIEF REPORT:

On 05-02-2019, a vibrant and engaging face painting event on the theme of "Green landscapes and ecosystem" took place at Shree Devi Institute of Technology at 3pm. The event aimed to promote environmental awareness and sustainable practices among students and faculty members.

The primary objective of the event was to creatively express the importance of environmental conservation and encourage active participation in green initiatives within the campus community. By using face painting as a medium, the organizers aimed to attract attention and spark conversations about pressing environmental issues.

Students from various departments enthusiastically participated in the event. Through colourful and expressive designs, participants effectively conveyed the importance of taking proactive measures to protect our planet.

TALK ON GREEN ENERGY

Date & Time	15-02-2019, 3:00 PM
Resource Person	Dr. Harish Joshy
Theme	Talk on Green Energy
Faculty Coordinator	Prof Anupama Natesh
Venue	Seminar Hall

BRIEF REPORT:

Talk on Green Energy was organized on 15th February 2019 at 3:00 p.m. in the Seminar Hall. Dr. Harisha Joshy was the resource person. The talk on green energy emphasized the critical role of renewable energy in addressing climate change and building a more sustainable future. It called for collaborative efforts from governments, communities, and individuals to accelerate the transition towards a clean energy economy and ensure a healthier planet for generations to come.
