SHORELINE SANCTUARY-A BEACH CLEANING INITIATIVE

Date & Time	23 rd February 2023 at 8:30 AM
Theme	NSS Activity
Venue	Panambur, Mangalore
Participants	Final year ME Students

BRIEF REPORT:

The primary objective of this initiative was to promote environmental awareness, engage the local community in preserving the coastline, and contribute to the overall well-being of the marine ecosystem, the Beach Cleaning Drive was initiated on 23rd February 2023 at 8:30 AM. All final year students of Mechanical Engineering gathered for the beach cleaning activity. The event emphasized the importance of collective responsibility in maintaining a clean and healthy environment. The beach cleaning activity at Panambur beach was a resounding success, thanks to the dedication and enthusiasm of students. By coming together to clean up our beaches and raise awareness about the importance of environmental conservation, we have taken a significant step towards protecting our coastal ecosystems, preserving marine biodiversity, and fostering a culture of sustainability for future generations to enjoy.

ECO-STUDY TOUR AND CLEANLINESS DRIVE

Date	15/12/2022 at 10:00AM
Theme	Eco-Study tour & Cleanliness drive
Faculty Coordinator	Prof. Raksha Puthran
Venue	Kanthavara

BRIEF REPORT:

Shree Devi Institute of Technology in association with Vana Charitable trust organised a study tour to Kanthavara. Vana Charitable Trust, led by environmentalist Jeeth Milan Roche has launched a unique forest conservation project in Kanthavara.

The forest area located at Kanthavara has been a victim of illegal waste dumping over recent months. This detrimental activity not only poses a severe threat to the local ecosystem but also undermines the beauty and sustainability of the forest. In response to this environmental degradation, a comprehensive cleaning operation from the students of B.E and MBA was conducted on December 15th, 2022 with the aim of restoring the natural balance and preserving the integrity of the forest ecosystem.

The objective was:

- To remove all dumped waste materials from the forest area.
- To mitigate any potential ecological damage caused by the waste.
- To restore the natural habitat for indigenous flora and fauna.

SWACCTHA ABHIYAN - KENJAR, BAJPE

Date & Time	15 th September 2021 at 3.30 PM
Theme	NSS Activity
Venue	Kenjar, International Airport Road

BRIEF REPORT:

Good hygiene can help one to stay healthy and offers countless positive benefits for one's physical, emotional, and psychological health. Swachh Bharat Abhiyan is a campaign launched by the Central Government of India to clean the streets, roads and infrastructure of the country. On account of this college took initiative to clean a in road Kenjar that leads to International Airport on September 15th September, 2021 from 3.30pm.

Nearly 30 students accompanied by 2 staff took part in this initiative. They also ensured that dry and wet waste was correctly separated in accordance with recycling requirements and that waste was disposed of properly. The plan was explained to the residents and promoted awareness of the need for public sanitation maintenance.
