#### GREEN CAMPUS POLICY

At Shree Devi Institute of Technology, we understand that it is our duty to develop a campus that is environment friendly and sustainable. Our is to cultivate an environment friendly culture, and encouraging sustainable practices among our faculties, staff, and students is outlined in the Green Campus Policy.

#### OBJECTIVES:

##### 1. Energy Efficiency:

- Reduce overall campus energy consumption.

##### Strategies:

- Implement energy-efficient technologies and practices in campus buildings.
- Targeting 30% of our energy from renewables by 2030.

##### 2. Waste Management:

- Achieve 50% reduction in overall campus waste by promoting recycling and waste reduction programs.

##### Strategies:

- Implement a comprehensive recycling program for solid waste and E-waste across all campus facilities.
- Minimize single-use plastic on campus through awareness campaigns and the promotion of eco-friendly initiatives.

### 3. Water Conservation:

- Reduce water consumption by 15% through effective water management practices.

#### Strategies:

- Implement water-saving technologies and practices in campus facilities.
- Raise awareness among the campus community about responsible water usage.

### 4. Clean Air Initiatives:

- Encourage our students and staff to use public/ college transportation, instead of using personal vehicle, an action that will reduce air pollution and enhance social interaction.
- A gardener and full-time supporting staff are hired to maintain litter free "Clean and Green" Campus.

#### Strategies:

- Promotion of public/college transportation.

### 5. Awareness Campaigns:

- Raise awareness about environmental issues.

#### Strategies:

- Host campus-wide events, workshops, and campaigns to educate and engage the community.

### 6. Green Spaces:

- Enhance biodiversity and promote green spaces on campus.

**Strategies:**

- Implement sustainable landscaping practices.
- Establish and maintain green spaces for recreation and ecological balance.

**7. Green Welcome:**

- Promote and raise awareness about the college's green policy through a friendly and sustainable initiative.

**Strategies:**

- Presenting small plant to guests as a memento of their time at the college and as symbol of the college's commitment to sustainability.
